To whom it may concern,

I am the owner of 2116 S. Sterling Ave in Independence. Currently the building is an office/medical use building and on a Commercial zone. I am intend to convert it into a single family home. In converting this place into a home it just requires ~~it~~ a few modifications such as knock out a few interior walls and adding 2 full bathrooms.

Please consider my request to convert this building into a single family home.

Sincerely,

Chao Vang  
Prop. Owner.
